## SMP2 Portable EMF Meter

HIRE THE SMP2 FOR A WEEK  
AND SEE FOR YOURSELF!

### SMP2 DUAL (E & H Field Measurement)

Includes GPS to show location of emissions.  
Includes carry case.

### WP 400 PROBE

Isotropic 1Hz to 400kHz.  
E & H field measurements.  
Includes calibration to compliant standards (ISO 17025).

### WPF18 PROBE

Isotropic 1MHz-18GHz.  
E field Broadband measurements.  
Includes calibration to compliant standards (ISO17025).

### SMP2 TRIPOD

Wooden construction so as not to interfere with readings being taken.

### GUIDANCE NOTES

How to set-up the device & take readings.
